SUBMISSION OF SUBSTITUTE SPECIFICATION

Honorable Director of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

The applicant has decided to eliminate figures 5 through 9 from the application as well as the corresponding text. Accordingly, in accordance with the provisions of 37 C.F.R. § 1.125, submitted herewith is a substitute specification, excluding the claims, as well as a marked up version of the specification showing all of the changes.

The substitute specification includes no new matter, and, in fact, only deletes matter from the application.

Acceptance of the substitute specification and examination of the application on
its merits is awaited.

September 27, 2002

Respectfully submitted,

William M. Lee, Jr.
